¹ Complete this table only if the applicant institution has/had an undergraduate/health professional school students training program.

² Applicants may be identified by numbers, rather than by names, to safeguard privacy.

³ Provide date for all programs/departments that are relevant to this application.

⁴ Designate applicants who are eligible for R25 training grant support (based on citizenship or permanent residency status) with an asterisk (*).

Instructions: Anonymously indicate the credentials and application outcomes of the applicant pool for the most recent year for each participating department and unit.

Rationale: These data can be used to evaluate the size and quality of the applicant pool from which participants may be selected.
